Education

Abdalian Secondary School 2020 – 2023

I completed my Matriculation with 979/1100(89%) marks, showcasing strong academic performance. After that, I secured 854/1100(78%) marks in my Intermediate.

Inter. Islamic University 2023 – 2025(Continue)

Pursuing a Bachelor's in Computer Engineering (4th semester) with a CGPA of 3.02, I have developed strong technical skills in software development and programming.

About

I am a passionate Full-Stack Developer specializing in the MERN stack with 6 months of hands-on experience. I have a strong background in building dynamic and responsive web applications using React, Node.js, Express, and MongoDB. My problem-solving skills and attention to detail help me create efficient, user-friendly solutions. I am eager to contribute my technical expertise to innovative projects and grow in a challenging environment.

Experiences

MERN Stack Development: Specialized in MERN, 2023

- Completed multiple full-stack projects, showcasing proficiency in both front-end and back-end development.

Internship

Company: Ezitech Institute, 2024

- **Duration:** 6 months.
- **Role:** Full-stack developer
- **Skills:** Worked on real-world MERN stack applications, collaborated with teams, and gained hands-on experience in project development
- **Certification:** Received a certificate for successful completion of the internship.
